Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 17 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold overnight, with fog reforming. Staying rather dull Saturday.

This Evening and Tonight:
A misty night with fog likely to reform and thicken to become dense, especially across Norfolk where winds remain light. Perhaps clearer towards the Essex coast, with a slightly stronger onshore breeze. A slight frost is possible away from coasts. Minimum temperature 2 deg C (36 deg F).

Saturday:
Generally dull and misty with any fog slow to thin and break, especially across Norfolk. Brighter spells likely moving into eastern coastal areas however, with the odd sunny spell possible. Maximum temperature 7 deg C (45 deg F).

Outlook for Sunday to Tuesday:
Further fog for a time Sunday, but otherwise generally cloudy. Turning brighter with an increasing chance of sunny spells Monday and Tuesday but feeling cold. A few coastal showers possible.
